

# First *Florida* Bank

To our Valued Customers:

We know that everyone is paying close attention to Hurricane Irma and, rest assured, we are as well. We are taking the following steps:

- Ensuring our ATMs are stocked as much as we can so cash is available to you
- We will keep our normal business hours as much as possible

We encourage you to do the following:

- Ensure your key documents are secured (i.e., insurance policies, etc.)
- Ensure you have your debit and credit cards with you
- Download our Mobile Banking App

Should our normal business hours need to be adjusted due to Hurricane Irma, we will do our best to get the word out.

Please stay safe.

-First Florida Bank
